A hand-drawn illustration of a carousel. The carousel has a large, white, conical canopy with a heart-shaped ornament at the top. The canopy is supported by several poles. Below the canopy, there are several horses. One horse on the right has a heart-shaped ornament on its head. The carousel is set against a large, solid orange background. The base of the carousel is decorated with a heart shape. The drawing is done in a sketchy, hand-drawn style with black outlines and some grey shading.
